Please Note: We do our best to update our site regularly; however some varieties may previously be sold out. If the submitted order is affected, you will be contacted. When the confirmation is received a 25% deposit will be required at that time. Unfortunately, currently, we are unable to ship small orders of plants into the United States. For any questions related to our order form, quantities, and placing an order please contact us, via phone or email.

*Please place your order in total quantity versus number of bundles. (example: 1000 strawberry plants vs 40 bundles) *
